

Why Are We Doing This Study?

- Couplet conversion called for in the TMP once Bear Creek Parkway is underway/complete
- Create great streets in Downtown
- Reclaim Downtown from automobiles
- Connect different parts of Downtown remove barriers
- Economic revitalization
- Help implement the community vision for Downtown
- Create a "Main Street" on Cleveland Street
- Create an economically healthy and people friendly destination

Study Results

- Identify future City projects and phasing
- Set curb lines for use by developers
- Define the transportation system in Downtown—add connections and improve circulation
